Re: Little Native Hockey League 2018 Event Sponsorship Opportunities

Dear Friend,

Moose Cree First Nation is proud to once again host the Little Native Hockey League Tournament. Please find enclosed in this package information regarding the sponsorship opportunities for the 47th Annual Little Native Hockey League Tournament.

As we reach out to our community partners, we ask that our corporate friends and colleagues consider sponsoring and supporting this exciting and character-building event. We encourage you to become involved by financially supporting our efforts to make this event a truly remarkable experience for all participants and families.

The Little NHL fosters pride, personal growth, and team work while instilling values into our young people that will enable them to become our leaders of tomorrow. Not only will you promote the further development of an active community, you will also feel good in knowing your company supports these youth athletes in their efforts in participating in a healthy activity in the game of hockey.

If you have any questions, please feel free to contact us and we would be glad to provide you with any additional information.

Yours in Sportsmanship,

Bartholemew Smallboy
